Online 200,000KRW Offline 300,000KRW

Accommodation | 100,000KRW

Accommodations are provided at a limited number.

ILLUME

From every spark, a greater mark

The theme of YMUN 2026, "Illume" means "to shine light", while in Korean, 이룸 means "to achieve, to accomplish". Even in a dark and complex era, a glimpse of light can lead us forward - that light is our hope and future. This winter, together, we aim to illume the world and let our spark create a mark.
